

Subprocessor List

1 Introduction

LearningBook operate the services offered under the Data Processing Agreement. LearningBook may appoint other companies to provide limited services on its behalf. Any such Subprocessors will be permitted to obtain Customer Data only to deliver the services LearningBook has retained them to provide, and they are prohibited from using Customer Data for any other purpose. The list below does not apply to any services not yet in general release. The Company may update this Subprocessor List from time to time.

The current version of this Subprocessor List can be viewed by visiting <http://www.learningbook.co.uk>
